21/14 Minutes of the Previous Meeting

The Minutes to the Virtual Meeting held on 14th January 2021 were agreed and signed by the Chair.

Public Forum

There were no members of the public present so the meeting was not suspended.

21/15 Police Matters

A Police Crime report had been received by Bradley Parish Council and in the month of March there had been two crimes within Bradley – one theft at the local hospital but the item was later recovered, and one call of malicious communications from an ongoing domestic dispute. There were three reports in April two assaults at the local hospital and one at Bradley Woods.

Chair also informed all present that BPC receive an update approximately every two weeks regarding the Yellow Fin Project. Councillors commented that the issue with the motorbikes appears to be much quieter and that drones have been seen being used by the Police working on the project.

A white van has been noticed in the village of Bradley on various occasions, which could be linked to the same sitings in other villages. All details known of the van will be reported to the PCSO.

21/16 Planning Matters

All matters relating to planning were addressed in the AGM.

21/17 Finance

Chair asked for an update on the possibility of introducing E-Banking and the RFO reported he had not yet looked into this so it will be discussed at the next meeting.

The possibility of purchasing a local newspaper in order to be kept up to date with ongoing council issues being reported upon, was discussed and it was agreed that this would not be taken any further.

Chair provided an update that the request for a refund from Bradley Football Complex for advanced payments for the meeting room that BPC was unable to access (due to Covid), has been received.

The Financial Documents relating to the AGM were signed where necessary by the Chair and the Clerk, and the RFO will send the documents to the relevant departments.

21/18 Clerks Update

The clerk attended a free course regarding information relating to the Emergency Plans required for Town and Parish Councils. There were

suggestions made during the course that she brought to the attention of the Councillors.

1. Highly recommended to do a yearly review of the Plan to include updating volunteers still willing to participate and contact details for all volunteers. This was unanimously agreed upon.
2. To have a key stakeholder of the largest building within the parish (St Georges Church), so that the building can be accessed for various voluntary donations or for a place for residents to gather. It was agreed that the Chair would be the keyholder and a request for a key would be made.
3. The course also highlighted how important social media was for Town and Parish councils and recommended that all councils should consider having a facebook page for example. It was agreed by all council members that this would be researched further and reported on at the next meeting. Consideration had to be taken over its' members and controlling the content before going ahead.

Clerk also reported that the stickers have still not been received for the Church Garden bins and once again, she has telephoned the council and they have assured her that they should arrive within the next two weeks.

21/19 Information Exchange

The football match on Bradley Football Complex that was reported at the January meeting had been investigated and it was proved to be allowed within the Covid regulations.

A telephone call had taken place between Chair and Vision ICT regarding the annual payment for the website and it was reported that this payment covers any help and support for the site. A question was raised that if BPC didn't pay the annual fee, would the website be closed down and this is going to be reported on at the next meeting.

A discussion took place regarding placing the Agenda and Minutes on the village notice board and it was agreed that a notice would be placed there, explaining to residents that the information can be viewed on the website and then put the parishes website address.

Ward Councillor David Hasthorpe stated that due to his forthcoming Mayoral duties he may not be able to attend all of Bradley Parish Councils future meetings, but that he would suggest Ward Councillor Henry Hudson may be able to attend.

21/20 Date of Next Meeting

It was agreed that the next Bi-monthly meeting would be held on Thursday 1st July 2021 at 7pm subject to updates regarding Covid 19.

The Meeting closed at 20:55
