

BRADLEY PARISH COUNCIL

MINUTES OF

Bradley Parish Council's bi-monthly Meeting

held at

The Bradley Football Complex
Bradley Road, Grimsby

On

Thursday 7th March 2019.

MINUTES

For the purpose of transacting the following business:-

AGENDA

19/13 Present

Cllr Val Turner (Chair), Cllr Andrew Poppleton, Cllr Barry Turner.

19/14 Apologies

Cllr David Bryden (Vice Chair)

19/15 Declaration of Interest (Local Government Act 2012)

There were no declarations of Interest.

19/16 Minutes of the previous Meetings

Minutes of the Bi-monthly Meeting held on Thursday 3rd January 2019 were agreed and signed off by Chair.

19/17 Attendance of NELC Highways Officer.

Traffic Team Manager Debbie Swatman was in attendance to answer any relevant questions.

A question was asked as to if it would be possible to have a "give way" sign placed at the exit of the Bradley Farmyard development on to Church Lane, the Traffic Team Manager will look into this for us.

A long discussion was held relevant to the verge parking problems along Bradley Road caused by visitors to the Football Centre. The Traffic Team Manager said there may be several options not already explored so she would look at some possibilities and get back to us.

The illegal motor bike issue was briefly discussed, especially the ones travelling along Church Lane (public highway), but it was concluded that this is a Police matter, rather than Traffic.

The Traffic Manager was asked if she knew if an impact assessment had been done for the issues around Toll Bar as it is felt this may seriously affect the traffic volumes along Bradley Road but she didn't know.

Suspension of Meeting by Chair for Public Forum

As the above item included members of the public and as they said they didn't have any further issues to discuss this item was concluded, with the addition of a further contact be made to our local PCSO re the motor bike issues.

19/18 Police Matters

As there were no representatives of the Police Force present Chair read out a Police Report received on 06.03.2019, with nothing particularly relevant to the immediate Parish. However there were concerns on how log numbers are collected, especially when reports seem to be added to existing logs from other wards, so it was agreed to investigate this issue further.

19/19 Update on CCTV

Chair reported that although 2 more private companies had been contacted on this issue, neither had produced a full assessment/quote and the original quote from Engie had still not been adjusted so it was proving particularly difficult to proceed with this item,

19/20 Planning Matters

There were no new Planning Applications in hand. Chair reported that an email had been sent to the Senior Planning Officer each

month to check that no further Applications had been submitted for the proposed extensions to Bradley Football Development Centre, the Planning Officer had replied by email each time. This contact will continue for the foreseeable future.

Chair reported, in Vice Chairs absence, that his request , under the Freedom Of Information act, for proposed costings of NELC on the proposed extensions to the Football Development Centre had been refused on the grounds of section 43(2), in that to give out this information at this time **may** influence any future tenders should they be required.

19/21 Finance

Sundry stationary expenses, Clerks salary and IT expenses were all reimbursed by the Financial Officer.

The repeat expenses (£72.00) for the 2 Brown Bins for the Church Yard were agreed to be paid upon invoice being received.

A discussion was held on the possibility of the Financial Officer and the Chair holding Bank Debit Cards for the Parish Council account, particularly as it is becoming increasingly more difficult to pay by cheque for certain items, but this item was not concluded and it was agreed to hold it over until the May 2019 meeting.

19/22 Information Exchange

It was reported that the 20mph road sign at the access of Church Lane from Bradley Road had been repaired, this item was originally discussed in the Public Forum 06.09.2018

The request for a new waste bin at the fork of Church Lane and the Bridleway to Bradley Woods, originally discussed in the information exchange on 06.09.2018, had been actioned but NELC stated that they were reviewing all waste bins to possibly change to a wheelie bin type in the near future but this would result in a reduction in the number of bins provided so conclusion was reached.

Chair reported that NELC will be sending out re election papers to all Parish Councils in the next weeks.

19/23 Date of Next Meeting

The date of the next Parish Council Meeting, which will also include the AGM, will be the 9th May 2019, this has been moved to later in the month to comply with the rules and regs of the election.

The meeting was closed at 8.10pm.
