Minutes of the Bi-monthly Meeting held on Thursday 4<sup>th</sup> July 2019 were agreed and signed by Chair.

## Suspension of Meeting by Chair for Public Forum (Time 19:07)

A Member of the public voiced concerns once again about the motorbikes that have escalated to higher proportions in the recent weeks. This was discussed at great length.

Public Forum Closed at approximately: 19:45

**19/55 Police Matters** The motorbike issue following on from the public session, Katrina Goodhand explained options/alternatives to try and help with this situation. Katrina then explained her role in detail and gave out contact details etc for the Parish Council to be able to contact her with any issues they may feel are relevant in the future. Other past/present issues concerning Bradley village were also explained and some suggestions were discussed. Katrina supplied many statistics on knife crime and the ways that these crimes are being dealt with in the community. We asked her opinion on the traffic speed problems that we have through Bradley Village and she recommended that we contact Safer Roads Humber.

**19/56 ENGIE Officer** The ENGIE officer attended and detailed discussions were held on possible adjustments to the CCTV system planned for Bradley Village. It was decided that once we have received a new quote, and subject to agreement, with all our councillors, this system will be installed in stages.

**19/57 Planning Matters** There were no actual planning applications to be considered at this meeting, but Chair had had a phone call from the owner of the six garages on Church Lane regarding the possibility of the garages being dismantled and one single storey property put on the site. After much discussions councillors agreed they could not come up with a conclusion on this possibility without some idea of outline plans.

**19/58 Finance** It was agreed to pay Visionict their annual maintenance cost for the website at £150. Clerks salary was paid for August. As it appears that all parish councils may need website accessibility statements this was also discussed, but it was agreed to not conclude this matter without further information.

### **19/59 Information Exchange**

Chair explained that all relevant agendas, minutes and sundry papers up to 2012 had been boxed and listed, and placed with NELC archive department. A receipt for these has been issued by NELC.

As Chair had several complaints regarding severe air pollution over the Bank Holiday weekend relevant to manure being spread on the surrounding farmland, a letter was sent to NELC Environmental Protection Officer. A reply was received with no action taken.

No further information has been received from NELC regarding the request for an extra bin at the fork of Church Lane.

Councillor Poppleton requested that NELC trees and hedges officer Paul Chaplin be contacted with regard to some trees along Church Lane appearing to be unsafe.

**19/60 Date of Next Meeting**
