

Amendment to Minutes
6th March 2025

Reference No: 25-21 Finance stated 'Stamps, the printed Electoral Role and an empty lever arch file were handed to the clerk by the RFO.' Upon opening the envelope after the minutes had been published in draft form, it was discovered that the envelope contained a copy of the agenda and minutes from the Town and Parish Councils Liaison Committee with 'Appendix 1 – Budget, Finance and Business Plan 2025/26 – 2027/28' and not the electoral role as stated.
